

Martina Alciato Botta

Junior Graphic Designer

My name is Martina Alciato Botta and I am a junior graphic designer, who focuses on motion design, editorial and site-specific projects.

I am a curious person, always trying to improve myself and to perfect my skills. In the workplace, I can easily work in team or alone, while always completing my tasks on time.

- > Illustration
- > Video and image editing
- > Mograph and 2D animation
- > Infographics

Work experience

May 2020 - February 2021
RKH Studio (TO), Italy
Contributor / Graphic designer

Sided by a team and a supervisor, I had to create social media content, cover art, animated videos, magazines, lyrics video and merchandise for clients and the label's artists.

Reference: Edoardo Massaglia, Head of Graphic Design and Video Department, (+39) 346 090 7717. He is currently working in Los Angeles (California, USA), so a planned call may be needed in order to contact him.

May 2022 - July 2022
Bianco Tangerine (TO), Italy
Curricular internship / Graphic designer

During the internship, Isabella and the team let me both work independently and in small groups. I had to create social media content, animations, infographics for books, wayfinding elements, illustrations and maps.

Reference: Isabella Maria Reggio, Art Director, (+39) 340 691 2665.

Exhibitions

September 2022
Graphic Days - In the city (TO)
Un mostro? Pussa via!

November 2022
Paratissima Circus (TO)
Un mostro? Pussa via!

Held livestreams

May 2022 - July 2022
Agorà (TO), Italy
Contributor

Agorà is a skill-sharing project on design and visual communication, aimed to whoever is curious about the subject.

Sided by another Agorà contributor (Mauro Modica), I held two lessons about the basics of animation, all supported by slide presentations.

Reference: Davide Flecchia, Creative Director, (+39) 342 065 3182.

Education

2014 - 2019
Liceo del Cossatese e Valle Strona
Specialized in foreign languages, 90/100

2019 - December 2022
Politecnico di Torino
Design and Visual Communication, (DAD - Department of Architecture and Design)
